FEDERAL BUREAU OF PRISONS, *et al.*,	)	
Defendants.	)	

FINAL JUDGMENT

This action having been submitted to the Court for a decision on the merits without an evidentiary hearing, and a decision having been duly rendered by separate opinion entered this date, it is hereby **ORDERED**, **ADJUDGED** and **DECREED**:

(1) That the BOP's new rule, policy or procedure announced on December 20, 2002 refusing to designate prisoners to serve terms of imprisonment in Community Corrections Centers violates the Administrative Procedures Act;

(2) That the defendants shall reconsider the designation of the place of imprisonment for each plaintiff and for the intervening plaintiff; and

(3) That the defendants shall issue new designations for each plaintiff and for the intervening plaintiff without taking into consideration, in any way, the invalid rule limiting the scope of its discretion in designating offenders to community confinement–that is, the designation will be based entirely upon pre-December 20, 2002 criteria.

DONE this the 24th day of July, 2003.
